PROJECTS

Live Weather App

2025

https://github.com/stackedbyisha/Live-Weather-App

Live Demo: https://isha-liveweatherapp.netlify.app/

A responsive web application that provides real-time weather updates for any city using a public weather API. The app displays temperature, humidity based on weather conditions.

Live Demo: https://isha-liveweatherapp.netlify.app/

Time Management App

2025

https://github.com/stackedbyisha/Time-Management-App

Live Demo :

https://timemanagementappbyisha.netlify.app/

productivity tool built with **HTML, CSS, and JavaScript**. Users can add, categorize, and prioritize tasks with ease. Includes a **Pomodoro timer** to boost focus and efficiency. Features a **progress bar** to track daily task completion. Supports **reminder notifications, dark mode, and local storage**. Fully **responsive and accessible** across devices.

Rock Paper Scissors Game

2025

https://github.com/stackedbyisha/Rock-Paper-Scissors-Game

Live Demo :https://isharpsgame.netlify.app/

Developed an **interactive browser-based game** using **HTML, CSS, and JavaScript**. Implemented **animated outcomes, countdown voice prompts, and custom win/lose/draw sounds** to enhance user engagement. Designed with a **responsive layout** for seamless play across devices.

Signup Form

2025

https://github.com/stackedbyisha/Signup-Form

Live Demo :https://signupformbyisha.netlify.app/

Built a **multi-step signup form** with **HTML, CSS, and JavaScript**, featuring a **progress bar, input validation, and responsive design** for an improved user experience. Designed with **accessibility and mobile optimization** in mind to ensure usability across devices.
